

2022/248

10 October 2022

Dear Parents and Guardians,

1. Safety Matters

Driving In and Out of School Premises

Safety is our priority. We would like to remind parents to observe the speed limit when driving in and out of the school premises. Parents are urged to exercise patience and care for other road users.

To ensure smooth-moving traffic in the morning, we seek your cooperation not to alight from your vehicle when dropping your child off at the school foyer. Disruption to the smooth flow of traffic can be avoided if every parent cooperates

Traffic Safety

We would like to remind parents not to park along the roadside just before the school main gate or at the entrance of Belvia during dismissal time. You could consider parking at one of the car parks nearby while waiting for the school gates to be opened after the departure of the school buses at about 1.45 p.m.

Getting Adequate Rest in Preparation for End-Year Examination

With the End-Year Examination starting on **14 October and from 26 October to 2 November** for students in Primary 3 to 5, we encourage parents to help ensure that your child gets adequate rest. Your child should also take frequent short breaks during revision to promote sustained concentration.

2. Primary 6 Gift of Love

The school would like to thank our Parent Support Group (PSG) members who have specially prepared personalised motivational and encouragement cards for our Primary 6 students to support them in their preparation for PSLE. Each Gift of Love contains all the love, care and encouragement the school, our PSG members and Primary 5 students have for our Primary 6 students. The moral support has spurred our students in their pursuit of academic excellence and boosted their morale. Your love and care have really touched the hearts of every Primary 6 student.
